## Subject: **KNORR-BREMSE AIR DISC BRAKE SERVICE PARTS**

Genuine service parts for the Knorr-Bremse Air Disc Brake are now available from Bendix. The Knorr-Bremse Air Disc Brake is the most popular brake in Europe and now Bendix and Knorr-Bremse, our joint venture partner, have launched the air disc brake in North America.

The Knorr Air Disc is currently installed on Prevost, Nova Bus, Neoplan, Featherlite, Newell, and Country Coach buses and coaches in North America.

Orders are currently being accepted on the following part numbers. Product will be available June 1, 2000. Watch for additional part number releases and service literature in future Bendix mailings.

### **Bendix Part Number**

### **Description**

#### ***Friction***
