

# Part Number Update

Bulletin No: PNU-053-000-A

Effective Date: 4/15/01

Cancels: N/A

Page: 1 of 5

Subject: **TRAILER ABS**

The MC-12 Trailer ABS Kits are being obsoleted and replaced with new kits featuring the PLC (Power Line Carrier 4 Trucks) capable MC-30. The MC-12 is no longer in production and stock has been depleted. All new orders should be based on the MC-30 Kit Part Numbers provided for the different applications identified. The service replacement Part Numbers for MC-12's were obsoleted in March and superseded with MC-30 service replacement kits. Please begin using the new MC-30 Part Numbers.
