

Got something in your trailer air lines besides air?

Part Number 801747

Remove water, dirt, and insects from
control & supply lines before they damage
valuable downstream components.

Install a Bendix® Cyclone DuraDrain™ Trailer Water Separator Today!

Collected water is automatically purged
while two stainless steel screens sift out
the solid contaminants.

**To find the authorized distributor nearest you, visit
www.bendix.com or call 1-800-AIR-BRAKE today.**

Bendix® Cyclone DuraDrain™ Trailer Water Separator.
Maximum trailer line protection, automatically.
