## Subject: **D-1 TO E-1 BRAKE VALVE CONVERSION**

Remanufactured D-1 Brake Valves and D-1 service parts are no longer available; however, in many cases a conversion to the E-1 can be made with only minor piping changes.

The conversion list below covers the historically more popular D-1 Brake Valves.

<u>D-1 Brake Valve</u>	<u>*Type</u>	<u>E-1 Brake Valve</u>	<u>Adapter Required</u>
223349	Treadle	228429	237221
223485	Treadle	228429	237221
223511	Basic	226944	None
223856	Treadle-Horizontal Mounting Bracket	228429	237221
224156	Actuating Arm	228429	237079
224878	Lever	227282	None
225143	Treadle	228429	237221

\*Treadle/lever assembly from D-1 must be re-used.
