**Subject: TU-FLO 700 COMPRESSOR 292503 CONNECTING ROD BOLT**

The Tu-Flo 700 compressor connecting rod cap screw is a pointed special cap screw used to provide adequate crankcase clearance.

Removal or installation of the screw requires a special socket that is available with either 1/4" or 3/8" drives. Socket part numbers are as follows:

1/4" square drive – Part TX-1E10

3/8" square drive – Part TX-3E10

We understand that these sockets are available from "Snap-On" Tools or, if unavailable from this source, contact:

The Apex Machine & Tool Company  
1025 S. Patterson Boulevard
