

# *Technical Bulletin*

Bulletin No.: PRO-03-35    Effective Date: 3/1/92    Page: 1 of 1

Subject: **Obsolescence of the TH-2 Three Way Control Valve**

Effective immediately, Bendix is OBSOLETING ALL TH-2 THREE WAY CONTROL VALVE ASSEMBLIES. Assemblies and major detail parts listed on the back side of master parts catalog page 03-L-6 and in the Quick Reference Catalog (BW-1114) are no longer available after existing stock of these parts is depleted.

For possible replacement of the Bendix TH-2, consult Williams Air Controls, referencing their control valve model series WM-317 and WM-486.
