

LIMITED WARRANTY

XVision®- Night Vision System

Raytheon 4000B ProtectIR® System

Bendix® Vision Systems

Bendix Commercial Vehicle Systems LLC ("Bendix") warrants to the original retail purchaser of a Vision System sold by Bendix that the product will be free from defects in materials and workmanship for 12 months or 100,000 miles (160,000 km), whichever comes first. The products covered by this limited warranty are the Bendix XVision® night vision system, Raytheon 4000B pan & tilt camera system, Head-Up-Display (HUD) notebook unit, flat panel display and side/rear camera.

The limited warranty does not cover defects or damage caused by abuse, misuse, road debris, accidents or improper installation, maintenance or service. Normal pixel degradation of up to 10 pixels or reduced display resolution associated with environmental operating conditions (e.g., fog, heavy precipitation or high humidity) is not covered. Damage to the infrared camera window is excluded. See reverse side for additional limitations and exclusions.

Product claimed to be defective must be returned via the Original Equipment (OE) dealership or authorized Bendix Commercial Vehicle Systems distributor within 30 days after the date any defect is first discovered. **Unauthorized repairs will void this warranty.**

Bendix will inspect the product and make the final determination as to whether the product is covered under this limited warranty. When a warranty claim is allowed, Bendix' responsibility is limited, at Bendix' option, to repair or replace the defective product. The replacement unit will be warranted for the remaining time period or mileage of the original warranty.

Special Handling & Replacement Requirements:

The warranty registration card provided with the Product must be completed and submitted to Bendix for warranty coverage. If the Product is not registered, then proof-of-purchase is required, and the purchase date will be deemed the in-service date.

Before returning an XVision or Raytheon 4000B camera, Head-Up-Display (HUD) notebook unit, flat panel display, or side/rear camera, Bendix Customer Service must be contacted and provided with the Camera Serial Number. Bendix Customer Service will issue a Return Material Authorization Number and required shipping information. Replacement units will not be provided until after the returned product is deemed warrantable.

THIS LIMITED WARRANTY IS IN LIEU OF AND EXCLUDES ALL OTHER WARRANTIES, EXPRESSED OR IMPLIED, ARISING BY OPERATION OF LAW OR OTHERWISE, INCLUDING ANY IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, AND IN NO EVENT WILL BENDIX COMMERCIAL VEHICLE SYSTEMS LLC BE LIABLE FOR INDIRECT, SPECIAL, PROGRESSIVE, INCIDENTAL OR CONSEQUENTIAL DAMAGES INCLUDING, BUT NOT LIMITED TO, COSTS INCURRED FOR SERVICE CALLS, TOWING, OR DOWNTIME.

Bendix **XVision**[®] and Raytheon 4000B ProtectIR[®] System Warranty Submittal Instructions for Dealers and Distributors

There are special warranty processing requirements for XVision[®] night vision systems and Raytheon 4000B ProtectIR[®] pan & tilt systems. System components must be returned and evaluated by Bendix Commercial Vehicle Systems LLC ("Bendix") before replacements are provided.

The Bendix limited warranty does not cover the following:

- Defects caused by abuse, misuse or by improper installation, maintenance or service.
- Normal pixel degradation of ≤ 10 defective pixel for the Infrared (IR) camera or Raytheon 4000B camera, Head-Up-Display (HUD) notebook, flat panel display.
- IR camera or Raytheon 4000B camera window breakage.
- Minimum resolvable temperature differences causing poor display resolution when operating under extreme environmental conditions (e.g., fog, heavy precipitation).
- Certain components, such as: wiring harness, mounting brackets, fasteners, or other miscellaneous parts.

Processing Instructions

1. Obtain the IR camera or 4000B camera's serial number prior to requesting a warranty return authorization, as Bendix tracks the IR camera serial number for each customer. Call our Huntington plant Customer Service (1-800-AIR-BRAKE, Option 1,1,8) for a Return Material Authorization (RMA) number. If Huntington advises that they did not receive the warranty registration, then customer proof-of-purchase must be submitted. Bendix will provide a RMA number and a prepaid shipping carrier account number for overnight delivery.
2. Pack camera and/or displays with adequate packing material to prevent shipping damage. Complete the on-line warranty-claim form. Be sure to enter the RMA number in the reference line. (Non-registered website users can use Bendix Warranty Claim Form BW285.) Send package with warranty claim copies to the Bendix warranty center. U.S. customers, please send all returns to Huntington, IN. Due to custom requirements, all Canadian customers must send returns to Anjou, QC. If outside U.S. or Canada, contact Bendix for special instructions.
3. Bendix will evaluate the product. If warrantable, a repaired or replacement unit will be sent prepaid via overnight delivery the next business day after receipt at our Huntington facility. A fixed handling fee will be credited separately to the dealer or distributor. If non-warrantable, the part will be returned only if requested.
