# Bendix Spicer Foundation Brake LLC

# Your complete source for Bendix<sup>®</sup> brand foundation brake components and systems

50,000+ original equipment and aftermarket all-makes replacement parts from one trusted supplier

# The performance and support you've come to expect

You may know our products as Eaton<sup>®</sup>, Spicer<sup>®</sup> or, simply, Bendix<sup>®</sup>. Names you've grown to trust for world-class performance, engineering, quality and support.

All these attributes continue today and into the future through the Bendix Spicer Foundation Brake organization and the Bendix brand.

In addition to the sales and service professionals you deal with face-to-face – including both Bendix and Roadranger<sup>®</sup> representatives, part of our extensive field network – there is an entire team working behind the scenes to produce top quality, high-performance products for you.

From R&D to engineering, from production to quality control, rest assured you have the full support of an industry leader hard at work for you. We stand behind our products with complete warranty protection from one of the best programs in the industry; a comprehensive core return program; a veteran field technical support team to troubleshoot and resolve your foundation brake challenges, and much more.

One out of every three North American commercial vehicles manufactured today is built with our foundation brakes. And many top fleets spec only our brakes both on their new trucks and trailers as well as for their all-makes replacement parts.
