Subject: **New Bendix® ADB22X™ Air Disc Brake Pad Kit Part Number**

Effectively immediately, Bendix Spicer Foundation Brake LLC (Bendix) announces the availability of a new air disc brake pad kit for the aftermarket. This kit, Bendix part number K182235, contains four (4) Bendix aftermarket pads (with BA235™ aftermarket friction formulation) and an OE hardware kit including two (2) new retainer bars. This pad kit will maintain Bendix's 5-year caliper warranty. The performance of the pads exceeds FMVSS121 requirements. The K182235 pad kit will also exceed RSD stopping distance and parking hill hold requirements.

The K182235 is also designed to be part of the Bendix's friction couple, (pad and rotor), for use with all Bendix approved rotors to optimize pad and rotor life.
